Abscess.

Abscesses, with few exceptions, are indicative of constipation or debility. W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee, and the doctor told me that I would have a difficult one day I went to J. F. Lord's drug store (who is now in Denver, Colo.). He recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world." Sold by W. M. Johnson.

Dr. Thomas Finn of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything as effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. The Original. J. W. McCollum & Co., Chicago, originated Honey and Tar as a throat and lung remedy and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for sale. THE CENTAUR COMPANY, NEW YORK CITY.

Seven Lives Lost in Fire.

Acon, Conn., Sept. 19.—The explosion of a fuse followed by a fire in a building of the Climax Fuse company here caused panic among 20 employees in the building and resulted in the death of seven and injuries that doubtless will prove fatal to several others. There was no way of coping with the flames, which soon spread rapidly, and in less than an hour after the explosion occurred those who were unable to escape were in the clutch of a fire that eventually burned their bodies to ashes. As the day wore on, the great crowd that collected in the hamlet saw the bodies of men and women roasting in the fire, powerless to even check the flames.

Preacher a Financial Promoter.

Peoria, Ills., Sept. 18.—The Rev. E. G. H. Simmons, pastor of the First Baptist church and president of the Interstate Bank and Trust company, of this city, has purchased the People's Savings bank. The bank is a private institution and is capitalized at \$50,000. Rev. Simmons has had an extraordinary career. He educated himself in a Kentucky theological school. His first business venture was three years ago, when he organized a company with \$100,000 capital to manufacture a cereal coffee. He then organized the State Bank and Trust company of this city with a capital stock of \$200,000.

Sprains.

S. A. Read, Cisco, Tex., writes, March 11, 1901: "My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. I earnestly recommend it to anyone suffering from sprains." Sold by W. M. Johnson.

Five Murders in One Day.

London, Sept. 18.—The correspondent of the Daily Mail at Baku, under date of Sept. 14, says: "Within the short space of two hours this morning five assassinations were committed in broad daylight in the busiest thoroughfares. The murderers escaped owing to the indifference of the police, who are mostly Tartars. Sinister rumors that another Tartar attack on the Armenians is contemplated has caused a panic among the inhabitants."

A Remedy Without a Peer.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klotz of Edma, Mo. For any disorder of the stomach, biliousness or constipation, these tablets are without a peer. For sale by all druggists.

Plan Monument for Jackson.

Charlotte, N. C., Sept. 18.—The Mecklenburg Daughters of the Confederacy are raising funds to place a statue and a monument at the birthplace of President Andrew Jackson, near Waxhaw, Union county. The house was long ago demolished. In recent years there has been much dispute as to Jackson's birthplace, but the Daughters have collected evidence which seems to substantiate fully the claim of Union county.

Attacked by a Mob

And beaten in a labor riot, until covered with sores a Chicago street car conductor applied Bucklen's Arnica Salve and was soon sound and well. "I use it in my family," writes G. J. Welch of Tekonsha, Mich., "and find it perfect." Simply great for cuts and burns. Only 25c at all drug stores.
